

Expression Home XP-235

DATASHEET

Save space, money and time with this Epson small-in-one, featuring individual inks and mobile printing

Perfect for anyone after high-quality and good value printing at home, the XP-235 is part of Epson's new small-in-one range. This printer, scanner and copier uses individual inks so only the colour used needs to be replaced, saving money on ink costs. It's versatile too; Epson Connect offers a whole suite of mobile printing options.

Efficient & affordable

Utilising Epson's Claria Home Inks, this small-in-one is ideal for producing crisp, clear text and glossy, lab-quality photos. Individual ink cartridges mean only the colour used needs to be replaced to save on costs.

Mobile printing

Whether using a smartphone or tablet, the iPrint app¹ can be downloaded to a range of devices for truly wireless printing and scanning. The possibilities don't end there, with Epson Email Print¹, it is possible to print from anywhere in the world¹ by simply emailing documents and photos directly to the printer. For creative-minded people, the Creative Print¹ app can access Facebook photos, create custom greeting cards and stationery, and even turn photos into colouring book templates.

Flexible

Multiple users can easily print and scan wirelessly from around the home.

Space saving

Stylish and compact - the XP-235's small and lightweight design means it doesn't take up much valuable desk space.
